The Nuts & Bolts of MOC
Objectives

• How to complete your current MOC requirements
• What is “new” in the new version of MOC
• Completing Part 2 and Part 4 requirements
• Part 3 of MOC - The Examination
• The ABP Web site and your ABP portfolio
Overview

- If you were certified or recertified from 2003 to 2009, these changes apply to you (ends 2016).
- Your certificate has an end date
- MOC was based on a 7-year cycle.
- The requirements for Parts 1, 2, and 4 must be completed by the end date on your certificate.
- You do not need to sit for a Part 3 MOC examination by the end of your present cycle.
PART 2 Requirements

• Required to complete one Part 2 activity in 7 years
• Any approved activity counts for any certificate
• Activities can be AAP, ABP, or from other sponsors
PART 4 Requirements

- Need to complete one Part 4 activity in 7 years
  (practice assessment and improvement activity)
- Web-based PIM on ABP Web site
  (e.g., influenza immunization PIM)
- AAP product such as EQIPP PIM
- Another option is to participate in an approved collaborative improvement project
- ABMS patient safety module
For those whose certification ends in 2010

Suggestions if you have not started yet:

For Part 2 complete the ABP knowledge self assessment in general pediatrics OR the Decision Skills activity

For Part 4 complete the ABP Hand Hygiene OR the ABP Influenza PIM
When in Doubt

• Go to ABP.ORG and log onto your secure personal portfolio
• Read letters and emails from the ABP
• Email MOC@abpeds.org with questions
• Call the ABP

The New Version of MOC
As of January 1, 2010

- Cycle begins with certification awarded in 2010
- Overlaps with initial version for 6 years
- Now based on 5-year cycle of MOC
  (Part 2 and 4 requirements must be completed during 5-year cycle)
- Approved activities are assigned a point value
- Need to earn total of 100 points in 5 years
  Part 2: 40 points
  Part 4: 40 points
  Optional: 20 points
PART 2 Requirements

- Any approved Part 2 activities
- Any activity counts for any area of certification
- Need 40 points in 5 years (Generally 2)
- Search for activities at www.abp.org
PART 4 Requirements

• Any approved Part 4 activities
• Any approved activity counts toward any area of certification
• Search activities via the Activity Catalog at www.abp.org
• Need 40 points in 5 years
A secure MOC exam is required every 10 years in each area of certification.

There is no reciprocity for Part 3 of MOC.
Other Reciprocities

- Med-Peds diplomates
- Diplomates of the ABP with certification in another ABMS specialty (allergy, peds neurology, etc)
- ABP diplomates practicing in Canada and meeting Canadian Royal College MOC requirements

- The reciprocity is only for Part 2 and 4 credit. An exam is required every 10 years in each area of ABP certification

<thead>
<tr>
<th>Sponsor(s)</th>
<th>American Board of Pediatrics</th>
</tr>
</thead>
<tbody>
<tr>
<td>Title</td>
<td>2004 General Pediatrics Knowledge Self-Assessment</td>
</tr>
<tr>
<td>Description</td>
<td>The ABP Knowledge Self-assessment consists of approximately 200 multiple-choice items reflecting the same content as the secure examination. The questions have been selected randomly from the same general content areas that will be included in the Part Three secure examination. If taken under similar conditions as the examination (ie. closed-book and timed), the self-assessment should provide a good gauge of readiness to take the secure examination.</td>

Maintenance of Certification

FAQs for 2010-2015 Certificate Expires

What do I have to take an exam?

The American Board of Pediatrics (ABP) has moved to a 10-year exam cycle. Your examination requirements are extended by 3 years if you currently are in a seven-year exam cycle.

Is there an extension to my certifications?

No. In order to remain certified you must enroll in Maintenance of Certification (MOC) the year your current certificate expires.

Will you remind me when I need to sign up for my exam?

Yes, we will send a reminder via e-mail and through your ABP Portfolio.
COSTS

- 52 examinations
- Resident tracking
- Resident and Fellow in-training exams
- Resident and Fellow verification
- Credential review, revocations, and appeals
- Residency Review Committee Participation
- Development and approval of MOC activities
- Funder of FOPO, AAP CQN, others
