

**CTAAP Teleconference  
Thursday, April 1st - 2010**

*What's New:*

*New Vaccines, New Recommendations, New Technology*

**CALL-IN INSTRUCTIONS**

- 1. Please call in at 12:00PM to ensure line availability; registrants calling in past 12:05PM cannot be guaranteed a line. The program will begin promptly at 12:10PM.**
2. Dial the following toll-free number: **1-800-868-1837** – *please note this is a new access number.*
3. A voice prompt will request that you enter the following pass code: 716857 **followed by the #(pound) sign.**
4. A voice prompt will ask you to hold while your pass code is being accepted.
5. If you have any trouble joining the conference, call 1-800-989-9239.
6. Once you have joined the conference, you can press \*4 to increase/decrease the volume.
7. All of the documents that you will need for today's program may be found at [ct-aap.org](http://ct-aap.org). Look under teleconferences on the home page. Please open the documents ahead of time to ensure that you are able to access them.
8. If you have any questions you would like answered by the presenters, e-mail [Tracey.ctaap@gmail.com](mailto:Tracey.ctaap@gmail.com). We will take as many questions as we can during the last 5 minutes of the teleconference.
9. Each participant should submit their own evaluation form immediately after the program. Please e-mail it to [tracey.ctaap@gmail.com](mailto:tracey.ctaap@gmail.com) or fax it 860-727-9863.
