CONTENT				
• Was organized and easy to follow				
• Met the objective(s)				
TRAINER				
• Knows and understands the topic				
• Was well organized and prepared				
• Was clear and easy to follow				
RELEVANCE – as a result of this training...				
• I gained factual information				
• I gained a better understanding of the topic				
• I have developed more skills and competencies				

Suggestions for Improvements:

Suggestions for Future Topics:

Required for Physicians, PAs, APRNs Requesting CMEs

Please Rate the Following Statements:

	Strongly Agree	Agree	Disagree	Strongly Disagree
1. This was a quality CME activity and met the following objectives:				
• Identify the value of screening for developmental and behavioral health issues				
• Assist with the creation of behavioral health screening programs in pediatric primary care				
• Identify common screening instruments to be used for early detection				
• Review coding and billing issues for screening				
• Identify mechanisms for securing timely behavioral health referral resources				
• Discuss the importance of creating and maintaining a patient registry				
2. This CME activity will favorably influence my ability to practice medicine as a leader, teacher or researcher.				
3. The program clearly indicated whether or not this CME activity received commercial support.				
4. I observed no overall commercial bias in this educational session.				
5. I would definitely recommend this CME activity to my colleagues.				

A. Please provide comments in support of your ratings, including the name of any speaker you believe revealed commercial bias.

B. Did the CME program communicate any conflict of interest or lack thereof?

Yes (If 'yes' please proceed to question C below) No I do not recall

C. If you answered 'Yes' to above question, how was the conflict of interest communicated?

Promotional material PPT slides Introductory Remarks
 Handouts I do not recall Other (please specify)
