Dear Exhibitor,

I wanted to let you know about **2 great CME meetings** that the Connecticut Chapter of the American Academy of Pediatrics will be organizing in the next few months. You have more than likely been at one of these as a vendor, but you might want to explore both.

We will be holding the **3rd Annual Fairfield County Pediatric Day** on May 16, 2019 at Westport Inn, Westport CT.

[Click here for the agenda](#). We have a great day planned, with speakers talking on pediatric topics ranging from vascular lesions, hot topics in gyn, celiac disease, autism and ADHD, spinal injuries, surgery and bronchiolitis. We will have 10 speakers in all. The goal of the day is to introduce Yale pediatric specialists to the pediatric medical community, allowing them to get to know the specialists and feel comfortable recommending their patients for care.

We expect to have over 80 pediatricians and pediatric primary care providers from southern Connecticut/Fairfield County at the meeting.

DEADLINE FOR EXHIBITOR REGISTRATION IS May 6, 2019.

The second great meeting will be our **41st Annual Martin Sklaire Critical Issues in School Health Conference**. This will be May 22, 2019, at the Red Lion Hotel (previously Radisson Inn) in Cromwell.

We typically have over 200 school medical advisors, school nurses and school nurse supervisors, and school health educators at this meeting.

For either meeting please return your forms, along with your check payable to the Foundation For Children to reserve your booth space. If you wish to pay by credit card use the link in the application form, or contact Yvette at our office, and she can help you.

If you have any questions, please do not hesitate to contact us.

Sincerely,

Jillian Wood
