CONTENT				
• Was organized and easy to follow				
• Met the objective(s)				
TRAINER				
• Knows and understands the topic				
• Was well organized and prepared				
• Was clear and easy to follow				
RELEVANCE – as a result of this training...				
• I gained factual information				
• I gained a better understanding of the topic				
• I have developed more skills and competencies				

Suggestions for Improvements:

Suggestions for Future Topics:

Required for Physicians, PAs, APRNs Requesting CMEs

Please Rate the Following Statements:

	Strongly Agree	Agree	Disagree	Strongly Disagree
1. This was a quality CME activity and met the following objectives:				
• Define the importance of HPV vaccination for cancer prevention and the rationale for vaccinating at age 11 or 12.				
• Describe the current status of uptake and impact in Connecticut.				
• Understand the significance of the clinician recommendation for HPV vaccination.				
• Employ strategies for making effective recommendations to families of 11-12 year olds.				
2. This CME activity will favorably influence my ability to practice medicine as a leader, teacher or researcher.				
3. The program clearly indicated whether or not this CME activity received commercial support.				
4. I observed no overall commercial bias in this educational session.				
5. I would definitely recommend this CME activity to my colleagues.				

A. Please provide comments in support of your ratings, including the name of any speaker you believe revealed commercial bias.

B. Did the CME program communicate any conflict of interest or lack thereof?

Yes (If 'yes' please proceed to question C below) No I do not recall

C. If you answered 'Yes' to above question, how was the conflict of interest communicated?

Promotional material PPT slides Introductory Remarks

Handouts I do not recall Other (please specify)
